FABRIFOAM® PRODUCTS CONDITIONS OF SALE
WIDE ROLL GOODS

1. **The foamed area of Fabrifoam 22" wide materials may vary from 22 inches wide to 25 inches wide with a guaranteed width of 22 inches of net useable foamed material. The 56" wide materials are net useable 50"-52".**

2. **All Fabrifoam material is invoiced and shipped on a net useable basis. Skips, voids and flaws are an unavoidable result of our unique manufacturing process. Therefore, we will include ample additional material to compensate. Please note that the invoiced quantity will always reflect only the quantity ordered and will not include the additional yardage.**

3. **No claim for error, shortage, or damage will be allowed unless made in writing or via email within ten days after receipt of goods. All material claimed defective must be returned to Fabrifoam Products for evaluation. Claims must be emailed to orders@fabrifoam.com or mailed to Customer Service Dept, Fabrifoam Products 900 Springdale Drive, Exton, PA 19341.**

4. **No Claim will be allowed for goods which have been further processed.**

5. **A late charge of 1-1/2% per month will be added to all balances not paid when due. No further material will be shipped to accounts with an outstanding overdue balance.**

6. **Fabrifoam materials are unique and proprietary. In order to maintain the integrity of the brand, the purchaser agrees to provide a sample and/or description thereof for the product or device to be manufactured from or incorporating Fabrifoam material(s), prior to order shipment.**

7. **Fabrifoam Products reserves the right to decline the sale of material for use in any product or manner it deems unacceptable.**

8. **Fabrifoam OEM material is sold without warranty as to suitability of use. Since we cannot control the end-use or manufacturing processes used with our material, the durability, suitability or performance of our material in any application must exclusively remain the responsibility of the purchaser.**
